The Board next considered an item contained in the Board Agenda dated July 12, 2004, requesting authorization for staff to award a contract to Apex Environmental, Incorporated, in the amount of \$158,735 for the construction of pond renovations and related improvements at Green Spring Gardens Park, in Fund 370, Park Authority Bond Construction, Project 474498.

Following a brief discussion, the staff was directed administratively to proceed as proposed.

21. **I-3 – REVISED SIX-YEAR VIRGINIA DEPARTMENT OF TRANSPORTATION (VDOT) SECONDARY SYSTEM CONSTRUCTION PROGRAM FOR FISCAL YEARS 2005 THROUGH 2010** (11:16 a.m.)

The Board next considered an item contained in the Board Agenda dated July 12, 2004, regarding VDOT's revised Secondary System Construction Program for Fairfax County. The Secondary Program reductions will affect six projects in the County.

Discussion ensued with input from Thomas Biesiadny, Chief, Coordination and Funding Section, Department of Transportation, regarding right-of-way issues for the Centreville Road project.

Supervisor Kauffman asked unanimous consent, if new funding becomes available or if funding is available in next year's six-year program, that the Telegraph Road projects be considered first to be placed back into the six-year program. Without objection, it was so ordered.

Additional discussion ensued regarding the Rolling Road project.

22. **I-4 – CAPITAL IMPROVEMENT PAYDOWN PROJECTS FOR THE \$3 MILLION APPROVED AT THE FISCAL YEAR (FY) 2004 THIRD QUARTER BUDGET REVIEW** (11:21 a.m.)

The Board next considered an item contained in the Board Agenda dated July 12, 2004, requesting authorization for staff to:

- Utilize the \$3 million approved by the FY 2004 Third Quarter Budget Review to implement the streetlight, sidewalk/trail, and storm drainage projects (\$2.5 million), as outlined in the Board Agenda Item.
- Address Countywide maintenance and security enhancement requirements (\$0.5 million), as outlined in the Board Agenda Item.

Following discussion, the staff was directed administratively to proceed as proposed.

23. **ORDERS OF THE DAY** (11:23 a.m.)

Chairman Connolly announced that the Board would proceed expeditiously with Board Matters, but would recess at 12 noon, and proceed immediately into closed session.

24. **FIFTIETH ANNIVERSARY OF THE “FILL THE BOOT” CAMPAIGN** (11:23 a.m.)

Chairman Connolly noted that for the past 50 years over a quarter million firefighters across the US and Canada have supported the Muscular Dystrophy Association in its fight against neuromuscular diseases. Accordingly, he relinquished the Chair to Vice-Chairman Bulova and asked unanimous consent that the Board direct staff to issue a resolution commending the fiftieth anniversary of the “Fill the Boot” campaign as well as the annual event scheduled for Labor Day weekend in September and invite appropriate representatives from the Department of Fire and Rescue to receive the resolution at the August 2, 2004, Board meeting. Without objection, it was so ordered.

25. **NATIONAL ASSOCIATION OF COUNTIES (NACo) ACHIEVEMENT AWARDS** (11:24 a.m.)

Jointly with Supervisor Hyland, Chairman Connolly announced that the County recently received 15 achievement awards from NACo. Begun in 1970, the annual Achievement Award Program is a non-competitive awards program which seeks

to recognize innovative county government programs called County Model Programs. Created as a part of NACo's *New County, USA* campaign, the Achievement Award Program continues to embody the grassroots and local government energy the program was designed to promote. This year the following departments were all honored with achievement awards:

- Department of Community and Recreation Services
- Office of Emergency Management
- Department of Finance
- Health Department
- Department of Housing and Community Development
- Library
- Park Authority
- Police Department
- Department of Public Works and Environmental Services
- Department of Purchasing and Supply Management
- Department of Systems Management for Human Services
- Department of Tax Administration
- Department of Transportation

On behalf of the Board, Chairman Connolly commended these departments for their hard work and dedication to serving the citizens of the County and maintaining an esteem for which all can be proud.

There was a brief discussion regarding the fact that NACo often uses County programs as models.

26. **SCOOTERS AND MOPEDS** (11:26 a.m.)

Chairman Connolly stated that law enforcement today is facing the problem of the proliferation of small gas-powered mini-motorcycles known as "pocket bikes" and gas-powered scooters. Motorized scooters resemble the push scooter of old except for the engine mounted over the back wheel. Existing codes prohibit children under 16 from operating these on public roads, but many parents are unaware of this law. There are children on County roadways operating these

scooters in excess of 20 miles per hour. He asserted that this is dangerous for not only the operator, but also for pedestrians and other drivers.

Chairman Connolly said that the Police Department is developing a brochure which will present a comprehensive review of existing legislation so that stores selling mopeds and scooters, parents, operators, and police officers will be aware of the laws that govern their use. Unfortunately, the police must deal with a myriad of often confusing and overlapping codes. He stated that the County needs legislation that is up-to-date, clear, consistent, and easily understood by buyers, dealers, and the police.

Accordingly, Chairman Connolly moved that the Board refer to the Legislative Committee the need for comprehensive legislation which would address the requirements for mopeds and motorized scooters and that the Board direct staff to bring that legislation before the Legislative Committee for its review and recommendation to the Board. Supervisor Kauffman seconded the motion.

Following discussion, Supervisor Hudgins asked to amend the motion to direct staff to work with the brain injury community on this issue, and this was accepted.

Chairman Connolly asked unanimous consent that the Board direct staff to also review the County's helmet law. Without objection, it was so ordered.

Following further discussion regarding scooters for persons with disabilities, the question was called on the motion, as amended, which carried by unanimous vote.

27. **CITIZENS CORPS** (11:29 a.m.)

Chairman Connolly said that the County has a Citizen Corps Council, chaired by Merrily Pierce, which focuses on emergency preparedness and neighborhood building by bringing together various groups in the community. These groups include the Citizen Emergency Response Team ("CERT") as well as the Volunteers in Police Service ("VIP") program that now numbers close to 200 volunteers. The Medical Corps Reserve has 6,000 members in training. He had the opportunity to attend a recent meeting of the council and commended its efforts.

Accordingly, Chairman Connolly asked unanimous consent that the Board proclaim the month of September "***Fairfax Prepares Month***" in Fairfax County and direct staff to invite the members of the Fairfax County Citizen Corps Council to appear before the Board on September 13 to receive the proclamation. Without objection, it was so ordered.

28. **"CELEBRATE 350: JEWISH LIFE IN AMERICA, 1654-2004"** (11:30 a.m.)

Chairman Connolly stated that in September 2004 the American Jewish community will launch a year-long series of programs entitled "Celebrate 350:

Jewish Life in America, 1654-2004,” to mark 350 years of Jewish communal life in the US.

Accordingly, Chairman Connolly moved that the Board direct staff to invite leaders in the Jewish community, including rabbis from local synagogues and those active in Jewish community organizations, to appear before the Board on September 13 to receive a resolution proclaiming September 2004 “*Jewish Heritage Month*” in Fairfax County and to mark this celebration of the three hundred fiftieth anniversary of Jewish communal life in America and to honor the contributions that Jewish Americans have made to the County and nation. Supervisor Gross and Supervisor McConnell jointly seconded the motion, which carried by unanimous vote.

29. **EXTENSION OF COMMENT PERIOD ON THE CAPITAL BELTWAY ENVIRONMENTAL IMPACT STATEMENT** (11:31 a.m.)

Chairman Connolly stated that the Virginia Department of Transportation (VDOT) recently held two public meetings on June 29 and 30 to solicit the public comment on two additional proposed build alternatives for the Capital Beltway. He moved that the Board direct staff to write to VDOT and advise it that the Board will be briefed on the Beltway project at the July 19 Transportation Committee meeting and request that the County be allowed to provide its official comments soon after this briefing. Supervisor McConnell seconded the meeting, which carried by unanimous vote.

30. **PROPOSED LEGISLATIVE COMMITTEE MEETING DATES** (11:31 a.m.)

(BACs) Chairman Connolly distributed the following proposed schedule for the Legislative Committee in preparation for the 2005 General Assembly session:

Friday, September 17	4 p.m.	Committee Meeting
Friday, October 15	4 p.m.	Committee Meeting

Friday, December 3	4 p.m.	Committee Meeting (if necessary)

Monday, December 6	TBA	Board Adoption of 2005 General Assembly Legislative Program
TBA	TBA	Legislative Breakfast with Fairfax County Delegation

Chairman Connolly urged Board Members to clear their calendars to participate in the Legislative Program this year.

31. **PRESENTATION OF A CHECK TO THE CONVENTION AND VISITORS BUREAU** (11:32 a.m.)

Chairman Connolly announced that the Board would participate in a check presentation later in the meeting.

(NOTE: Later in the meeting, the Board made this presentation. See Clerk's Summary Item CL#56.)

Vice-Chairman Bulova returned the gavel to Chairman Connolly.

32. **ATHLETIC SERVICES APPLICATION FEE** (11:32 a.m.)

Supervisor Hudgins noted that the athletic services application fee was included in the County's Fiscal Year (FY) 2005 Budget to partially offset the cost of scheduling and coordinating community use of County-owned public fields and facilities. This fee and its implementation were developed by the Department of Community and Recreation Services (CRS), the Athletic Council, and, in part, the athletic community.

Supervisor Hudgins said that upon adoption of the FY 2005 Budget, the Board directed, "CRS staff to perform an evaluation of the fee's implementation, its subsequent impact on the various athletic organizations and on field maintenance at the end of one year. This evaluation will include involvement from County athletic organizations."

Accordingly, Supervisor Hudgins asked unanimous consent that, when making that evaluation of impact, the Board direct the County Executive and CRS staff to take into consideration the documented contributions made by individual sports organizations and clubs in support of County fields. Without objection, it was so ordered.

33. **RETIREMENT RECEPTION FOR FORMER MAYOR RICHARD C. THOESSEN, TOWN OF HERNDON (DRANESVILLE DISTRICT)** (11:32 a.m.)

Supervisor DuBois noted that Richard C. Thoesen retired as mayor of the Town of Herndon. The Herndon Town Council is hosting a reception in his honor the evening of Tuesday, July 13. She noted that former Mayor Thoesen has a long and honorable history of service to both the town and the County as the Dranesville District Representative to the Park Authority and as a 1998 Lord Fairfax representing the Dranesville District.

Accordingly, Supervisor DuBois asked unanimous consent that she and Chairman Connolly join in presenting, on behalf of the Board, a resolution to Mr. Thoesen at the reception to acknowledge his dedication and service to the Dranesville District, the Town of Herndon, and the County. Without objection, it was so ordered.

34. **VIRGINIA VILLAGE APARTMENTS (MASON DISTRICT)** (11:34 a.m.)

Supervisor Gross said that a special permit application has been submitted for the Virginia Village apartments, located on tax map parcel 72-3((01))-54, proposing the addition of a community building for Virginia Village residents. The applicant is working with the Department of Transportation (DOT) on a street vacation request for Southland Avenue. Prior to the proposed vacation, however, the underlying fee ownership of the street is held by the Board.

Therefore, Supervisor Gross moved to allow that a small portion at the south end of Southland Avenue, indicated on the applicant's plan, be included in the special permit application as filed with the Department of Planning and Zoning. If this motion passes, the special permit application may proceed into its review process while DOT reviews the larger street vacation request. This motion should not be construed as a favorable recommendation on this application or related applications by the Board and does not relieve the applicant of compliance with the provisions of any applicable ordinances, regulations, or adopted standards, in any way. Supervisor Bulova seconded the motion and it carried by unanimous vote.

35. **HISTORIC MASON DISTRICT VIDEO** (11:35 a.m.)

(BACs) Supervisor Gross presented to Board Members a copy of the new video entitled *Historic Mason District*. The video, which was conceived and produced by Mason District resident and History Commission member Naomi Zeavin, charts the development of what is now Mason District from the early colonial period to the present time. It features comments by several Mason District Supervisors and examines the dynamic changes which have contributed to the diverse community of Mason District today.

Supervisor Gross said that the video was developed with funds obtained through the federal EDI grant program, not with County funds, although her office did help with some of the research and filming sites. She expressed the hope that this video might encourage other supervisor districts to undertake similar projects, especially to preserve the oral and visual history of the growth of the County.

Supervisor Gross acknowledged for the record that the video contained a small mistake. Northern Virginia Community College is not in the Mason District; it is across the street in the Braddock District.

A brief discussion ensued about the launch of a history project and capturing oral living history.

36. **REZONING APPLICATION RZ 2004-SP-004 AND PROFFERED
CONDITION AMENDMENT APPLICATION PCA 88-S-097-3
(SPRINGFIELD DISTRICT)** (11:39 a.m.)

Supervisor McConnell stated that the applicant, Random Hills Investment, LLC requested an expedited Board public hearing date for Rezoning Application RZ 2004-SP-004 and Proffered Condition Amendment Application PCA 88-S-097-3. Due to contractual obligations, it is important that this matter be heard by the Board by September 27, 2004.

Therefore, Supervisor McConnell moved that the Board direct staff to schedule a public hearing to be held before the Board on Rezoning Application RZ 2004-SP-004 and Proffered Condition Amendment Application PCA-88-S-097-3 on September 27, 2004. This motion does not relieve the applicant from complying with all regulations, ordinances, or adopted standards, and does not prejudice the consideration of this application in any way. Supervisor Bulova seconded the motion and it carried by unanimous vote.

37. **INTRODUCTION OF CHIEF OF STAFF STEVE EDWARDS
(SPRINGFIELD DISTRICT)** (11:40 a.m.)

Supervisor McConnell introduced Steve Edwards, the new chief of staff for the Springfield District office.

38. **COMMENDATION TO RESPONDING AGENCIES REGARDING
RECENT FIRE AT VICTORIA CROSSING AT MANCHESTER LAKES
(LEE DISTRICT)** (11:40 a.m.)

(NOTE: Earlier in the meeting, the Board mentioned this fire. See Clerk's Summary Item CL#1.)

Supervisor Kauffman commended all the departments who responded to the fire at Victoria Crossing at Manchester Lakes yesterday. He stated that everyone whom he spoke with was complimentary of the services provided by fire and police departments. He thanked the Red Cross for its involvement in providing food and establishing shelter. The homeowner's association also assisted in coordinating services.

Therefore, Supervisor Kauffman asked unanimous consent that the Board direct staff to provide the same expedited services to the Manchester Lakes Community as those provided to the citizens who suffered losses during Hurricane Isabel in the Belle View community. Without objection, it was so ordered.

39. **SPRINGFIELD UNITED METHODIST CHURCH (LEE DISTRICT)**
(11:42 a.m.)

Supervisor Kauffman, jointly with Supervisor McConnell, stated that this year, the Springfield United Methodist Church is celebrating 50 years of service to the greater Springfield community.

Supervisor Kauffman outlined the service that the church has provided throughout the years, and he asked unanimous consent that the Board direct staff to invite co-pastors Dan and Pam Horner and members of the church to appear before the Board at a future meeting for formal recognition and that a certificate be prepared to the Springfield United Methodist Church. Without objection, it was so ordered.

40. **APPOINTMENTS TO THE BURGUNDY VILLAGE COMMUNITY CENTER OPERATIONS BOARD (LEE DISTRICT)** (11:43 a.m.)

(APPTS) Supervisor Kauffman announced that the appointments of three members of the Burgundy Village Community Center Operations Board were never formally confirmed by the Board as required by the memorandum of understanding.

Therefore, Supervisor Kauffman moved the confirmation of the following appointments to the Burgundy Village Community Center Operations Board:

- Mr. Gary Griesmyer, term expiration June 2005
- Ms. Carole Shazer, term expiration June 2006
- Ms. Frances Wilkerson, term expiration June 2005

Chairman Connolly seconded the motion and it carried by unanimous vote.

41. **CONCURRENT PROCESSING FOR PROFFERED CONDITION AMENDMENT APPLICATION PCA C-448-31 AND SPECIAL EXCEPTION APPLICATION SE 2004-LE-015 (LEE DISTRICT)** (11:44 a.m.)

Supervisor Kauffman stated that pending Proffered Condition Amendment Application PCA C-448-31 and Special Exception Application SE 2004-LE-015 are applications for minor improvements and a building expansion at the existing mini-golf/driving range facility located in Kingstowne.

Supervisor Kauffman pointed out that the applicant requested permission to begin concurrently processing the necessary site plan. Given the absence of any significant community or staff concerns that cannot be resolved, he moved that the Board authorize staff to concurrently process the site plan and other engineering approvals associated with pending Proffered Condition Amendment Application PCA C-448-31 and Special Exception Application SE 2004-LE-015. Approval of this motion shall in no way prejudice or affect any ongoing staff review and should not be construed as support for the application by the Board. This motion, the second to which was inaudible, carried by a unanimous vote.

42. **OUT-OF-TURN PLAN AMENDMENT NEAR THE BEACON GROVETON CORE AREA (LEE DISTRICT)** (11:45 a.m.)

Supervisor Kauffman said that the Board authorized an out-of-turn plan amendment to consider high density residential support retail and office use at an intensity of up to 1.8 floor area ratio for land located near the Beacon Groveton core area.

Supervisor Kauffman asked unanimous consent to clarify that the subject area of the out-of-turn plan amendment includes the entire block bounded by Richmond Highway, Memorial Street, Groveton Street, and Donora Drive. Without objection, it was so noted.

43. **DANBURY FOREST COMMUNITY PARKING DISTRICT (CPD) (BRADDOCK DISTRICT)** (11:46 a.m.)

Supervisor Bulova stated that on March 18, 2004, her office received a request from the Danbury Forest Community Association to establish a CPD along Danbury Forest Drive and Clydesdale Road.

Supervisor Bulova moved that the Board waive the minimum size requirement for the establishment of the Danbury Forest CPD along Danbury Forest Drive and Clydesdale Road. Without objection, it was so ordered.

44. **GANG ACTIVITY AND REVITALIZATION ISSUES IN THE
HERITAGE/ANNANDALE AREA OF BRADDOCK DISTRICT**
(11:46 a.m.)

(BACs) (NOTE: Earlier in the meeting, the Board established a Coordinating Council on Gang Prevention. See Clerk's Summary Item CL#18.)

Supervisor Bulova stated that at the February 9, 2004, Board meeting, she reported on plans for a *Braddock District Community Dialog Series on Gang Activity and Revitalization Issues*. She said that her office has been hosting "Community Dialogs" for the past three years. Each program in a Dialog series includes an educational element, followed by community discussion. By the end of the series, Dialog attendees who have participated in most of the programs, and learned about the complexities of the issues, qualify as "voting members" of the Dialog and, as "informed voters," adopt final recommendations.

Approximately 300 people participated in the Community Dialog on Gang Activity and Revitalization. At the first meeting on February 11, 2004, the audience adopted a mission statement, which is included with her written Board Matter. In the mission statement, the group agreed to limit the scope of dialog recommendations to the Heritage/Annandale area to have end products that could be specific and manageable. By the end of the five-part series, 50 people had attended at least four of the five programs and qualified as voting members.

In addition to the Community Dialog series, the Braddock District office hosted a weekend "Community Engagement" exercise, which was held May 21-22, 2004. This activity was facilitated by officials from the US Department of Justice, Office of Community-Oriented Policing Services. Participants included many individuals already active in the Community Dialog, along with an expanded list of stakeholders in the County identified as having a role, or potential role, in addressing the emergence of gang activity in the Annandale area and beyond.

Supervisor Bulova said that the Community Dialog ended on June 9 with the adoption of a slate of five top recommendations. The Braddock District Spring Town meeting on June 23 summarized the Community Dialog and included, as panelists, a number of discussion leaders. Members of the panel described the series, what they learned, and how recommendations were reached. This meeting is being broadcast on Cable Channel 16 at 8 p.m. on the evenings of July 16 and July 19. She said that videotapes are also available in her office.

Supervisor Bulova said that detailed recommendations from the Dialog are attached to her written Board Matter. In short, they are:

- Revitalize Heritage/Annandale neighborhoods and the defunct community association structures.
- Establish stronger school-community partnership.

- Coordinate communication and outreach to the community for understanding gang activity and promoting awareness of intervention and prevention resources.
- Establish job/employment programs for young people in the Annandale area.
- Increase and enhance community policing/presence in the Heritage/Annandale area.

Supervisor Bulova said that these recommendations very closely reflect the direction the Countywide anti-gang initiative is taking. Already a number of activities, focused in the Heritage/Annandale area, are underway as a result of the Community Dialog.

Therefore, Supervisor Bulova asked unanimous consent that the Board direct staff to:

- Circulate the recommendations of the Dialog to County agencies and departments that can assist with following up on these efforts.
- Invite the core group of 50 "voting members" of the Dialog to appear before the Board at the soonest appropriate date, to be thanked for their significant investment in the community.

Without objection, it was so ordered.

45. **FAIRFAX AREA DISABILITIES SERVICES BOARD (FA-DSB)**
(11:52 a.m.)

(BACs) Supervisor Bulova referred to a letter from the FA-DSB regarding emergency management.

Therefore, Supervisor Bulova asked unanimous consent that the Board direct staff to follow up on the recommendation to direct all County agencies and offices involved with emergency preparedness and management, including volunteer programs, to set up town hall meetings with persons with disabilities. These meetings should share what current policies and plans are in place for all aspects of emergency preparedness and management, offer a forum for individuals with disabilities and organizations/agencies that work with them to provide recommendations for needed revisions, and develop plans to incorporate those recommendations. Without objection, it was so ordered.

46. **IVY DEVELOPMENT LC (SULLY DISTRICT)** (11:53 a.m.)

Supervisor Frey referred to his written Board Matter and said that Ivy Development LC has submitted a nomination as part of the 2004 North County Area Plans Review (APR) Cycle for properties identified among the tax map reference 65-1 ((1)) 15 and 16.

Supervisor Frey reviewed the history of the property and noted that the Board is scheduled to consider the 2004 North County Cycle Plan Nominations in June-July of 2005. In the meantime, the applicant intends to reactivate Rezoning/Final Development Plan Application RZ/FDP 2002-SU-042 for the nominated property this fall so that it may be evaluated to coincide with the Board's action on the APR nominations. Given the amount of time it has already invested in the development of the property, the applicant has requested the ability to concurrently process subdivision plats, site plans, architectural drawings, and other development plans as may be necessary with Department of Public Works and Environmental Services.

Therefore, Supervisor Frey moved that the Board direct the Director of the Department of Public Works and Environmental Services to accept for concurrent and simultaneous processing subdivision plats, site plans, architectural drawings, or other development plans, and any other plats or documents as may be necessary, in conjunction with the processing of Rezoning/Final Development Plan Application RZ/FDP 2002-SU-042 by Ivy Development LC. This motion does not relieve the applicant from complying with all regulations, ordinances, or adopted standards, and does not prejudice the consideration of the rezoning applications or future abandonment/vacation requests in any way. Supervisor McConnell seconded the motion and it carried by unanimous vote.

47. **OUT-OF-TURN PLAN AMENDMENT S00-III-UP2 (SULLY DISTRICT)** (11:55 a.m.)

Supervisor Frey stated that an out-of-turn plan amendment was authorized several years ago for land known as the Middleton Farm. The proposed plan amendment and a related development application were indefinitely deferred due to staff and community issues. Rather than reactivate this long deferred item, property owners were encouraged to submit Area Plans Review (APR) nominations as a way to update their proposal and bring it back for community review.

Supervisor Frey moved that the Board rescind its authorization of Out-of-Turn Plan Amendment S00-III-UP2 so that APR items submitted for properties located south of Frying Pan Road and north of Park Center Drive can be considered as part of the 2004 North County APR. Supervisor Hudgins seconded the motion and it carried by unanimous vote.

48. **CENTREVILLE HISTORIC DISTRICT (SULLY DISTRICT)** (11:56 a.m.)

Supervisor Frey stated that he had been approached recently by a number of property owners and interested citizens about protecting and enhancing the Centreville Historic District. In discussions with staff and members of the community, it appears that the most effective means of accomplishing this goal may be to expand the boundaries of the Historic District.

Therefore, Supervisor Frey moved that the Board direct staff from the Department of Planning and Zoning to review the current boundaries of the Centreville Historic District, as well as the provisions of the Zoning Ordinance related to the District, to determine whether expansion and/or modifications are appropriate at this time. He added that he hoped the Board will be able to authorize a Board's Own Motion rezoning application on July 26, 2004, in furtherance of this goal.

Supervisor Frey said that there have been three Area Plans Review (APR) items filed which incorporate portions of the existing Centreville Historic District and which propose slightly different visions for the area. He added that it would be appropriate to ask the Planning Commission to pull those items from the APR process. He said that depending on the outcome of the rezoning application and possible Zoning Ordinance amendments, amendments to the Comprehensive Plan will be needed for consistency and clarity. He noted that at the appropriate time, he will ask the Board to authorize an out-of-turn plan amendment for the appropriate area.

Supervisor Hyland seconded the motion and it carried by unanimous vote.

49. **CITIZEN'S GUIDE TO THE 2004 NORTH COUNTY APR (PROVIDENCE DISTRICT)** (11:58 a.m.)

Supervisor Smyth stated that in Tysons Corner, 21 APR nominations (20 in Providence District and 1 in Hunter Mill District) have been submitted for consideration during the 2004 North County APR cycle. Almost all of the nominations are linked to rail coming through Tysons Corner.

The *Citizen's Guide to the 2004 North County APR* indicates that the Planning Commission may defer a group of nominations if, in its opinion, these items represent complex issues that should not be evaluated on an individual basis.

Therefore, Supervisor Smyth moved that the Board:

- Request the Planning Commission to consider deferring all Tysons Corner nominations, except for any nominations which are not linked to rail related redevelopment.

- Direct the Department of Planning and Zoning to outline possible schedules and parameters for a Special Study to review the deferred Tyson Corner rail-related nominations.

Additionally, Supervisor Smyth said that it is critical that this Tysons Corner Special Study include a transportation analysis and urban design evaluation, which will require consultant assistance.

Therefore, Supervisor Smyth moved that Board direct staff to:

- Include as a consideration item in the Fiscal Year 2004 Carryover Budget Package funding to support an analysis of transportation and urban design issues as part of the Tysons Special Study.
- Develop the scope and estimated cost of this consultant assistance.

Supervisor Hudgins seconded the motion and it carried by unanimous vote.

50. **BOARD POLICY REGARDING THE CREATION OF NEW BICYCLE LANES DURING MAJOR ASPHALT MAINTENANCE ON THE ROADWAYS** (noon)

Supervisor Smyth stated that the County does not have a policy on creating new bicycle lanes during major asphalt maintenance on the roadways. Rather than investigate this matter as it relates to only one road in the Providence District, she suggested that the Transportation Committee review the policy and procedures associated with planning bicycle lanes and coordinate with the Virginia Department of Transportation (VDOT) on this effort.

Therefore, Supervisor Smyth asked unanimous consent that:

- This matter be referred to the Transportation Committee for review.
- If warranted, the Department of Transportation and the Non-motorized Transportation Committee, as well as VDOT, be involved in this review and that the Committee report the whole of its findings to the Board.

Without objection, it was so ordered.

51. **NOISE VARIANCE PROCESS** (12:01 p.m.)

Supervisor Smyth stated that she was contacted by a constituent who endured the noise associated with 6.5 hours of night work (from 11 p.m. until 5:30 a.m.) on Arlington Boulevard, westbound. Milling and paving are often done throughout

the County, and, in this case, the constituent was fully supportive of doing this work at night.

Supervisor Smyth said that in this case only four days of notice were given to the community and to her office. She said that as part of the noise variance being granted, staff suggests that the contractor "limit the amount of backing up of vehicles and equipment." Unfortunately, in this case much of the backing up noise occurred in the early hours of the morning and kept residents from sleeping.

Supervisor Smyth noted that the process by which Supervisors' offices participate in evaluating sections of road for night work is adequate. This motion serves only to evaluate and possibly refine the notification process for affected residents.

Therefore, Supervisor Smyth moved that the Board direct:

- Staff to evaluate the noise variance process as it relates to notification of affected residents.
- The County Executive to forward this evaluation to the Board.

Without objection, it was so ordered.

52. **RESOLUTION IN SUPPORT OF GRANTING AN EXCEPTION TO THE OCCOQUAN RESERVOIR (MOUNT VERNON DISTRICT)** (12:02 p.m.)

Supervisor Hyland referred to his written Board Matter regarding the granting of an exception to the Occoquan Reservoir Shoreline Easement Policy for an expansion of a boathouse.

Therefore, Supervisor Hyland moved that the Board convey its support for this exception to the Fairfax County Water Authority. Supervisor Gross seconded the motion and it carried by unanimous vote.

53. **VACATION AND ABANDONMENT OF MHI HUNTINGTON LLC (MOUNT VERNON DISTRICT)** (12:03 p.m.)

Supervisor Hyland stated that the motion to authorize vacation and abandonment of MHI Huntington LLC is proposing to rezone property located along Foley Street and Hunting Creek Road to permit redevelopment in keeping with the Comprehensive Plan. As a part of its development plan, the applicant proposes to vacate and abandon a portion of Foley Street, and thus, needs the consent of the Board to include the right-of-way in the rezoning application.

Therefore, Supervisor Hyland moved that the Board authorize the inclusion of an approximate .58 acre portion of Foley Street in a rezoning application to be filed by MHI Huntington LLC on property identified among the Fairfax County tax map records as 83-1 ((1)) 56, 57, 62A, 62B, 63-65, 67-74, 76, 76A, 78-80, 82, 83,

85; 83-1 ((18)) 1-4; and 83-3 ((1)) 95-99. This motion should not be construed as a favorable recommendation by the Board on the proposed application and does not relieve the applicant from compliance with the provisions of all applicable ordinances, regulations, or adopted standards. Supervisor McConnell seconded the motion and it carried by unanimous vote.

54. **MORTGAGES** (12:04 p.m.)

Supervisor Hyland referred to an article in *The Washington Post* regarding a new targeted-financing concept called "neighborhood champions" mortgages for teachers, public safety workers, etcetera.

Supervisor Hyland asked unanimous consent that the Board direct staff to contact Fannie Mae and request information it has that can be distributed to appropriate individuals. Without objection, it was so ordered.

Chairman Connolly relinquished the Chair to Vice-Chairman Bulova and asked unanimous consent that the Board direct:

- Anthony H. Griffin, County Executive, to contact Paula Sampson, Director, Department of Housing and Community Development.
- Staff to report with an Information Item at the August 2, 2004, Board meeting reporting on how the Board can take advantage of this program.

Without objection, it was so ordered.

Vice-Chairman Bulova returned the gavel to Chairman Connolly.

Supervisor Hudgins noted that Fannie Mae is on the agenda for the Housing Committee meeting in September.

Supervisor Hyland announced that interested buyers can call 1-800-900-9000 for more information.

55. **INTENT TO DEFER PUBLIC HEARINGS** (12:06 p.m.)

Chairman Connolly announced the Board's intent to defer the following public hearings:

- Rezoning Application RZ 2003-MV-036
- Rezoning Application RZ 2003-PR-043
- Proffered Condition Amendment Application PCA 87-C-060-11
